

# Answer Key

## Chapter 1 : Medical Language and Health Care Today

### 1.1 Practice Laps

#### A. Matching Exercise

3, 4, 6, 5, 7, 2, 1

#### B. True or False Exercise

- |      |      |
|------|------|
| 1. T | 5. T |
| 2. F | 6. T |
| 3. T | 7. T |
| 4. F |      |

#### C. Fill in the Blank Exercise

1. Reading
2. Listening
3. Thinking, analyzing, understanding
4. Writing (or typing) and spelling
5. Speaking and pronouncing

### 1.2 Practice Laps

#### A. Give the Meaning of Combining Forms

1. breathe; coil
2. abdomen
3. artery
4. joint
5. living organism; living tissue
6. colon
7. rib
8. skin
9. skin
10. skin
11. break down food; digest
12. intestine
13. feeling; sensation
14. stomach
15. intestine
16. abdomen

17. side
18. white
19. breast
20. muscle
21. birth
22. nerve
23. pregnancy and childbirth
24. hip bone; pelvis; renal pelvis
25. eating; swallowing
26. paralysis
27. pressure; tension
28. treatment
29. thyroid gland
30. tonsil
31. urinary system; urine
32. uterus; womb
33. vagina
34. vein

#### B. Matching Exercise

12, 5, 6, 9, 10, 8, 3, 11, 2, 4, 7, 1

#### C. True or False Exercise

- |      |      |
|------|------|
| 1. T | 4. F |
| 2. T | 5. T |
| 3. T |      |

#### D. English Plural Noun Exercise

- |             |            |
|-------------|------------|
| 1. hormones | 4. nerves  |
| 2. kidneys  | 5. ovaries |
| 3. arteries |            |

#### E. Greek Plural Noun Exercise

- |              |                |
|--------------|----------------|
| 1. irides    | 3. carcinomata |
| 2. phalanges | 4. ganglia     |

#### F. Latin Plural Noun Exercise

- |              |              |
|--------------|--------------|
| 1. vertebrae | 7. bacteria  |
| 2. sclerae   | 8. ova       |
| 3. bronchi   | 9. diagnoses |
| 4. alveoli   | 10. testes   |
| 5. thrombi   | 11. apices   |
| 6. atria     |              |

## 1.3 Practice Laps

### A. True or False Exercise

- |      |      |      |
|------|------|------|
| 1. T | 3. F | 5. F |
| 2. F | 4. T | 6. T |

### B. Dividing Medical Words Exercise

- |           |             |        |
|-----------|-------------|--------|
| 1.        | cardi/o-    | -logy  |
| 2.        | cardi/o-    | -ac    |
| 3.        | intestin/o- | -al    |
| 4.        | muscul/o-   | -ar    |
| 5.        | ven/o-      | -ous   |
| 6. intra- | ven/o-      | -ous   |
| 7. brady- | cardi/o-    | -ia    |
| 8.        | urin/o-     | -ation |
| 9.        | tonsill/o-  | -itis  |
| 10. bi-   | later/o-    | -al    |

### C. Build Medical Words Exercise

#### Suffix that Begins with a Vowel

- |               |                |
|---------------|----------------|
| 1. cardiac    | 4. neuroma     |
| 2. digestive  | 5. therapist   |
| 3. intestinal | 6. tonsillitis |

#### Suffix that Begins with a Consonant

- |                |                 |
|----------------|-----------------|
| 7. arthropathy | 9. cardiomegaly |
| 8. cardiology  | 10. colonoscope |

### D. Spell Medical Words Exercise

- |                |                 |
|----------------|-----------------|
| 1. psychiatry  | 5. pelvic       |
| 2. cardiac     | 6. cardiology   |
| 3. tonsillitis | 7. hypertension |
| 4. venous      | 8. antibiotic   |

### E. Pronounce and Spell Exercise

- |               |                   |
|---------------|-------------------|
| 1. abdominal  | 8. muscular       |
| 2. cardiac    | 9. psychiatry     |
| 3. cardiology | 10. therapist     |
| 4. digestion  | 11. tonsillectomy |
| 5. digestive  | 12. urinary       |
| 6. intestinal | 13. pelvic        |
| 7. mammogram  | 14. venous        |

## 1.4 Practice Laps

### A. Label Structures

#### Body Directions

- posterior (dorsal)
- anterior (ventral)

- medial
- lateral
- proximal
- distal

#### Body Cavities

- |                    |                     |
|--------------------|---------------------|
| 1. cranial cavity  | 4. diaphragm        |
| 2. spinal cavity   | 5. abdominal cavity |
| 3. thoracic cavity | 6. pelvic cavity    |

#### Body Regions

- right hypochondriac region
- epigastric region
- right lumbar region
- umbilical region
- right inguinal region
- left hypogastric region
- left lumbar region
- left inguinal region
- hypogastric region

### B. Give the Meaning of Combining Forms

- back; dorsum
- abdomen
- before; front part
- heart
- tailbone
- hollow space
- cell
- head
- cartilage
- time
- impart; transmit
- present at birth
- structure that encircles like a crown
- cranium; top part of the skull
- secrete
- cell
- tooth
- skin
- diet; foods
- away from the center or point of origin
- innermost; within
- intestine
- cause of a disease
- increase; provoke
- outside
- bend; break up

27. front
28. stomach
29. creation; production
30. genitalia
31. arising from; produced by
32. old age
33. knowledge
34. female; woman
35. blood
36. genetic inheritance
37. medical treatment; physician
38. individual; unknown
39. immune response
40. disease within
41. below
42. groin
43. skin
44. inside
45. intestine
46. larynx; voice
47. side
48. lower back
49. lymph; lymphatic system
50. medicine
51. middle
52. muscle
53. birth
54. new
55. nerve
56. nerve
57. hospital
58. nourishment
59. pregnancy and childbirth
60. mass; tumor
61. eye
62. straight
63. ear
64. disease
65. child
66. hip bone; pelvis; renal pelvis
67. drug; medicine
68. physical function
69. formation; growth
70. back part
71. prevent
72. produce
73. near the center or point of origin

74. mind
75. lung
76. four
77. forearm bone; radius; x-rays
78. recover
79. send back
80. front to back
81. skeleton
82. backbone; spine
83. breathe; coil
84. above
85. operative procedure
86. collection of symptoms
87. boundary; end; word
88. therapy; treatment
89. chest; thorax
90. cut; slice; layer
91. navel; umbilicus
92. urinary system; urine
93. urinary system; urine
94. blood vessel
95. abdomen; front

## 1.5 Practice Laps

### A. Give the Meaning of Combining Forms

- |                       |                        |
|-----------------------|------------------------|
| 1. treatment          | 5. reduce the severity |
| 2. walking            | 6. physical function   |
| 3. accessory; servant | 7. operative procedure |
| 4. give ability       | 8. technical skill     |

### B. Define Abbreviations

1. diagnosis
2. Emergency Department
3. electronic health record
4. History and Physical
5. primary care physician
6. skilled nursing facility

## Dive In: Medical Language Exercises

### 1.1 Medical Language

#### Circle Exercise

1. terminology
2. word origins
3. Arabic

**True or False Exercise**

- |      |      |
|------|------|
| 1. F | 3. T |
| 2. T | 4. T |

**Related Combining Forms Exercise**

- enter/o-, intestin/o-
- neur/o-, nerv/o-
- dermat/o-, integument/o-

**1.2 Medical Words: Singular and Plural Nouns and Word Parts****Matching Exercise**

2, 1, 1, 2, 3, 3, 1

**Matching Exercise**

1, 10, 5, 4, 17, 9, 12, 15, 7, 6, 16, 20, 14, 3, 19, 18, 2, 8, 13, 11

**Circle Exercise**

- |                   |              |
|-------------------|--------------|
| 1. -ae            | 6. testis    |
| 2. combining form | 7. vertebrae |
| 3. intestine      | 8. bacteria  |
| 4. -i             | 9. alveoli   |
| 5. phalanx        | 10. ovum     |

**True or False Exercise**

- |      |      |
|------|------|
| 1. F | 4. F |
| 2. F | 5. T |
| 3. F |      |

**Plural Noun Exercise**

- |              |               |
|--------------|---------------|
| 1. irides    | 8. bacteria   |
| 2. diagnoses | 9. ganglia    |
| 3. ova       | 10. vertebrae |
| 4. phalanges | 11. arteries  |
| 5. ovaries   | 12. thrombi   |
| 6. hormones  | 13. testes    |
| 7. bronchi   | 14. ovaries   |

**1.3 Divide, Build, Spell, and Pronounce Medical Words****Dividing Words Exercise**

- |        |             |       |
|--------|-------------|-------|
| 1.     | langu/o-    | -age  |
| 2.     | medic/o-    | -al   |
| 3.     | etym/o-     | -logy |
| 4. bi- | later/o-    | -al   |
| 5.     | cardi/o-    | -ac   |
| 6.     | intestin/o- | -al   |
| 7.     | muscul/o-   | -ar   |
| 8.     | uter/o-     | -ine  |
| 9.     | urin/o-     | -ary  |

- |            |            |         |
|------------|------------|---------|
| 10.        | digest/o-  | -ive    |
| 11. peri-  | cardi/o-   | -al     |
| 12. hyper- | tens/o-    | -ion    |
| 13. anti-  | bi/o-      | -tic    |
| 14.        | cardi/o-   | -megaly |
| 15.        | tonsill/o- | -ectomy |

**Building Words Exercise**

- |           |             |
|-----------|-------------|
| 1. -ive   | digestive   |
| 2. -ous   | venous      |
| 3. -ics   | obstetrics  |
| 4. -ation | urination   |
| 5. -itis  | tonsillitis |
| 6. -pathy | arthropathy |
| 7. -scopy | gastroscopy |

**Spelling Exercise**

- |                 |                |
|-----------------|----------------|
| 1. cardiac      | 5. tonsillitis |
| 2. subcutaneous | 6. urination   |
| 3. mammography  | 7. venous      |
| 4. tachycardia  |                |

**Spelling and Pronunciation Exercise**

- |                |                 |
|----------------|-----------------|
| 1. cardiac     | 4. neurology    |
| 2. urination   | 5. tonsillitis  |
| 3. intravenous | 6. subcutaneous |

**1.4 The Body in Health and Disease****Matching Exercise**

4, 2, 7, 9, 5, 1, 3, 10, 11, 6, 8

**Circle Exercise**

- |               |                  |
|---------------|------------------|
| 1. etiology   | 6. tonsillitis   |
| 2. refractory | 7. cardiac       |
| 3. remission  | 8. appendectomy  |
| 4. hereditary | 9. urinary       |
| 5. gastric    | 10. psychiatrist |

**True or False Exercise**

- |      |      |      |
|------|------|------|
| 1. F | 4. T | 7. F |
| 2. T | 5. T |      |
| 3. T | 6. T |      |

**Dividing Words Exercise**

- |         |             |        |
|---------|-------------|--------|
| 1. ana- | tom/o-      | -ical  |
| 2.      | nosocomi/o- | -al    |
| 3.      | cephal/o-   | -ad    |
| 4.      | gynec/o-    | -logy  |
| 5. de-  | gener/o-    | -ative |
| 6.      | ophthalm/o- | -logy  |

- |       |               |      |
|-------|---------------|------|
| 7. a- | symptomato/o- | -ic  |
| 8.    | poster/o-     | -ior |
| 9.    | thorac/o-     | -ic  |
| 10.   | urin/o-       | -ary |

### Building Words Exercise

- |           |                |
|-----------|----------------|
| 1. -al    | congenital     |
| 2. -gen   | pathogen       |
| 3. -logy  | symptomatology |
| 4. -ic    | therapeutic    |
| 5. -ery   | surgery        |
| 6. -logy  | etiology       |
| 7. -ary   | integumentary  |
| 8. -ant   | quadrant       |
| 9. -ics   | obstetrics     |
| 10. -ious | infectious     |
| 11. -ary  | hereditary     |

### Spelling Exercise

- |                 |                |
|-----------------|----------------|
| 1. cardiac      | 5. tachycardia |
| 2. subcutaneous | 6. tonsillitis |
| 3. mammography  | 7. urination   |
| 4. psychiatry   | 8. venous      |

### Spelling and Pronunciation Exercise

- |                 |                |
|-----------------|----------------|
| 1. cardiac      | 6. pneumonia   |
| 2. neurology    | 7. hepatic     |
| 3. tonsillitis  | 8. mammography |
| 4. uterine      | 9. anatomy     |
| 5. subcutaneous | 10. pediatrics |

## 1.5 Health Care Today

### Matching Exercise

4, 5, 6, 1, 7, 2, 3, 9, 8

### True or False Exercise

- |      |      |       |
|------|------|-------|
| 1. T | 5. F | 9. F  |
| 2. F | 6. F | 10. F |
| 3. T | 7. T |       |
| 4. F | 8. F |       |

### Fill in the Blank Exercise

- It can be accessed by more than one healthcare professional at a time.
- It cannot be lost or damaged.
- It can be retrieved quickly.  
(Other correct answer: It provides seamless, immediate, and simultaneous access by several healthcare professionals to all parts of the record regardless of where those part were created or stored.)

### Dividing Words Exercise

- |        |            |        |
|--------|------------|--------|
| 1.     | palliat/o- | -ive   |
| 2. re- | habilit/o- | -ation |
| 3.     | ambulat/o- | -ory   |
| 4.     | physi/o-   | -ician |
| 5.     | techn/o-   | -ician |

### Building Words Exercise

- |           |              |
|-----------|--------------|
| 1. -ion   | inspection   |
| 2. -ist   | therapist    |
| 3. -ive   | palliative   |
| 4. -ician | technician   |
| 5. -ion   | palpation    |
| 6. -ation | auscultation |
| 7. -ion   | percussion   |

### Define Abbreviations

- Electronic patient record
- Discharge Summary
- Chief Complaint
- History and Physical
- Diagnosis
- Review of Systems

## Immerse Yourself: Analyze Medical Reports

### You Write the Report

- |                   |                |
|-------------------|----------------|
| 1. gynecology     | 6. pulmonology |
| 2. obstetrics     | 7. neonatology |
| 3. otolaryngology | 8. radiology   |
| 4. neurology      | 9. orthopedics |
| 5. dermatology    |                |

## Chapter 2 : Dermatology

### 2.1 Practice Laps

#### A. Label Structures

#### Skin and Subcutaneous Tissues

- hair shaft
- pore
- sebaceous gland
- hair follicle
- duct of sudoriferous gland
- vein
- artery
- nerve

# Answer Key

## Chapter 1 : Medical Language and Health Care Today

### 1.1 Practice Laps

#### A. Matching Exercise

3, 4, 6, 5, 7, 2, 1

#### B. True or False Exercise

1. T                      3. T                      5. T                      7. T

#### C. Fill in the Blank Exercise

1. Reading
3. Thinking, analyzing, understanding
5. Speaking and pronouncing

### 1.2 Practice Laps

#### A. Give the Meaning of Combining Forms

1. breathe; coil
3. artery
5. living organism; living tissue
7. rib
9. skin
11. break down food; digest
13. feeling; sensation
15. intestine
17. side
19. breast
21. birth
23. pregnancy and childbirth
25. eating; swallowing
27. pressure; tension
29. thyroid gland
31. urinary system; urine
33. vagina

#### B. Matching Exercise

12, 5, 6, 9, 10, 8, 3, 11, 2, 4, 7, 1

#### C. True or False Exercise

1. T                      3. T                      5. T

#### D. English Plural Noun Exercise

1. hormones
3. arteries
5. ovaries

#### E. Greek Plural Noun Exercise

1. irides
3. carcinomata

#### F. Latin Plural Noun Exercise

1. vertebrae
3. bronchi
5. thrombi
7. bacteria
9. diagnoses
11. apices

### 1.3 Practice Laps

#### A. True or False Exercise

1. T                      3. F                      5. F

#### B. Dividing Medical Words Exercise

1. cardi/o-                      -logy
3. intestin/o-                      -al
5. ven/o-                      -ous
7. brady-                      cardi/o-                      -ia
9. tonsill/o-                      -itis

#### C. Build Medical Words Exercise

##### Suffix that Begins with a Vowel

1. cardiac                      3. intestinal                      5. therapist

##### Suffix that Begins with a Consonant

7. arthropathy                      9. cardiomegaly

#### D. Spell Medical Words Exercise

1. psychiatry
3. tonsillitis
5. pelvic
7. hypertension

#### E. Pronounce and Spell Exercise

1. abdominal
3. cardiology
5. digestive
7. mammogram
9. psychiatry
11. tonsillectomy
13. pelvic

## 1.4 Practice Laps

### A. Label Structures

#### Body Directions

1. posterior (dorsal)
3. medial
5. proximal

#### Body Cavities

1. cranial cavity
3. thoracic cavity
5. abdominal cavity

#### Body Regions

1. right hypochondriac region
3. right lumbar region
5. right inguinal region
7. left lumbar region
9. hypogastric region

### B. Give the Meaning of Combining Forms

1. back; dorsum
3. before; front part
5. tailbone
7. cell
9. cartilage
11. impart; transmit
13. structure that encircles like a crown
15. secrete
17. tooth
19. diet; foods
21. innermost; within
23. cause of a disease
25. outside
27. front
29. creation; production
31. arising from; produced by
33. knowledge
35. blood
37. medical treatment; physician
39. immune response
41. below
43. skin
45. intestine
47. side
49. lymph; lymphatic system
51. middle
53. birth
55. nerve

57. hospital
59. pregnancy and childbirth
61. eye
63. ear
65. child
67. drug; medicine
69. formation; growth
71. prevent
73. near the center or point of origin
75. lung
77. forearm bone; radius; x-rays
79. send back
81. skeleton
83. breathe; coil
85. operative procedure
87. boundary; end; word
89. chest; thorax
91. navel; umbilicus
93. urinary system; urine
95. abdomen; front

## 1.5 Practice Laps

### A. Give the Meaning of Combining Forms

1. treatment
3. accessory; servant
5. reduce the severity
7. operative procedure

### B. Define Abbreviations

1. diagnosis
3. electronic health record
5. primary care physician

## Dive In: Medical Language Exercises

### 1.1 Medical Language

#### Circle Exercise

1. terminology
3. Arabic

#### True or False Exercise

1. F
3. T

#### Related Combining Forms Exercise

1. enter/o-, intestin/o-
3. dermat/o-, integument/o-

## 1.2 Medical Words: Singular and Plural Nouns and Word Parts

### Matching Exercise

2, 1, 1, 2, 3, 3, 1

### Matching Exercise

1, 10, 5, 4, 17, 9, 12, 15, 7, 6, 16, 20, 14, 3, 19, 18, 2, 8, 13, 11

| 3. otolaryngology | 9. orthopedics |
| 5. dermatology    |                |

# Chapter 2 : Dermatology

## 2.1 Practice Laps

### A. Label Structures

#### Skin and Subcutaneous Tissues

- hair shaft
- sebaceous gland
- duct of sudoriferous gland
- artery
- sudoriferous gland
- dermis

#### Nail

- |           |             |
|-----------|-------------|
| 1. nail   | 5. nail bed |
| 3. lunula |             |

### B. Give the Meaning of Combining Forms

- |             |         |
|-------------|---------|
| 1. follicle | 5. skin |
| 3. skin     | 7. skin |

9. black

11. hair

13. sweat

15. hair

### C. Build Words

- |     |       |               |
|-----|-------|---------------|
| 1.  | -al   | ungual        |
| 3.  | -gen  | collagen      |
| 5.  | -cyte | melanocyte    |
| 7.  | -ous  | sebaceous     |
| 9.  | -ary  | integumentary |
| 11. | -in   | melanin       |

## 2.2 Practice Laps

### A. Give the Meaning of Combining Forms

- |                    |            |
|--------------------|------------|
| 1. defend; protect | 5. control |
| 3. same            | 7. heat    |

### B. Build Words

- |        |            |          |           |
|--------|------------|----------|-----------|
| 1. -al | nosocomial | 3. -tome | dermatome |
|--------|------------|----------|-----------|

## 2.3 Practice Laps

### A. Give the Meaning of Combining Forms

- |                    |                         |
|--------------------|-------------------------|
| 1. rays of the sun | 11. cancer              |
| 3. bruising        | 13. fingernail; toenail |
| 5. skin            | 15. itching             |
| 7. blood           | 17. dry                 |
| 9. tearing         |                         |

### B. Build Words

- |     |         |              |
|-----|---------|--------------|
| 1.  | -iasis  | psoriasis    |
| 3.  | -itis   | dermatitis   |
| 5.  | -osis   | necrosis     |
| 7.  | -plasm  | neoplasm     |
| 9.  | -cle    | vesicle      |
| 11. | -rrhage | hemorrhage   |
| 13. | -ous    | erythematous |

### C. Define Abbreviations

- herpes simplex virus

## 2.4 Practice Laps

### A. Give the Meaning of Combining Forms

- skin
- affected by; sensitive to

### B. Define Abbreviations

- culture and sensitivity
- radioallergosorbent test
